

Luke Mason.

NETWORKING & AI STUDENT

Bellevue, WA · (425) 757-4049 · luke.mason26@hotmail.com · github.com/lukemason26 · lukemason26.github.io

SUMMARY

Networking & AI student graduating in **June 2026** with a 3.85 GPA and a 4.0 in the Cisco Networking Academy. Two years of coursework across networking, cybersecurity, and AI, paired with **five years of hands-on field experience** building computer labs and networks abroad. Proven team leader comfortable configuring enterprise routing, hardening switched networks, and deploying cloud and local-AI infrastructure.

EXPERIENCE & LEADERSHIP

Service Trip — Antigua & Barbuda

2020 - 2026

Team Lead · with Newport High School & Rotary Club

- Traveled with a team to advance education through technology, partnering with the Rotary Club of Antigua and the Bellevue Breakfast Rotary Club.
- Helped set up **2,000+ laptops** across **80+ computer labs** in under-resourced schools.
- Led a team that equipped **7 schools** with complete labs and computers in a single trip.

Cisco Project Club

2024 - 2026

Newport High School

- Logged **~300 volunteer hours** fixing, wiping, imaging, and testing laptops for schools and children in developing countries.

SELECTED TECHNICAL PROJECTS

Multi-Area OSPF Configuration NETWORKING

Built a multi-router, multilayer-switch topology running multi-area OSPFv2 and OSPFv3 across IPv4 and IPv6; verified end-to-end reachability.

BGP with IS-IS & EIGRP NETWORKING

Connected three autonomous systems over external BGP with route redistribution between OSPF, EIGRP, and IS-IS.

Layer 2 Switch Attacks & Mitigation SECURITY

Ran ARP spoofing, MAC flooding, and DHCP attacks in Kali Linux, then mitigated with port security, DHCP snooping, and Dynamic ARP Inspection.

AWS Cloud & Local AI Deployment CLOUD / AI

Provisioned EC2, VPC, IAM, EBS, and RDS with auto scaling; ran a local LLM via Ollama behind a Dockerized web UI.

EDUCATION

Seattle Christian School

High School Diploma

Graduated June 2026 · 3.85 GPA

Cisco Networking Academy

Newport High School

2024 - 2025 · 4.0 GPA

TECHNICAL SKILLS

Networking

OSPF BGP EIGRP IS-IS IPv4/IPv6
VLANs Cisco IOS

Cybersecurity

Port security DHCP snooping DAI
Kali Linux Wireshark

Cloud & Systems

AWS Docker Linux Windows 11 VMs
Packet Tracer

AI & Programming

Ollama Open WebUI Python HTML / CSS

STRENGTHS

Leadership Teamwork Problem solving
Troubleshooting Patience

ACTIVITIES & SERVICE

- World Vision** — packed food for families in need
- Highlands Community Church** — helped lead children's classes
- Varsity Track (2023) & Varsity Golf (2024)
